

Idris Community - Something to talk about

Announcing the launch of a new concept in Idris
support: www.idris-community.net

Idris Community. A website which has been designed to provide support and information to existing or potential Idris users. The aim of the site is to provide an interactive community for the exchange of ideas and information relating to all aspects of Idris Technology. This site will enable more effective support for our technology partners, customers and users worldwide. Idris Community is all about Idris technology and its applications. The main website will continue to focus on the commercial aspects of Idris.

How can I become part of the Idris Community?

Idris Community is open to anyone with a genuine interest in Idris Technology.

Register now at: www.idris-community.net
